The BMA suggests fees for non-NHS work, which is not covered under a GP's NHS contract, to help GPs set their own professional fees.

However, these fees are guidelines only, not recommendations, and a doctor is not obliged to charge the rates suggested.

Please note, should the volume of work prove to be greater or more complex than expected, we will contact you to discuss how to proceed. Fees are set by the Practice, not individual GP's.

You can submit a request for non-NHS work by completing an eConsult and selecting the 'admin' option. Please make sure you also provide all relevant paperwork.
